

Excursion to Tännforsen waterfalls ITU-R WP 5D in Åre

2011-04-09

Excursion during the WP 5D meeting in Åre

Our Guide

The group met in the lobby of the hotel Holiday Club in Åre

The ice fishing event was cancelled due to slushy ice on the lake Åre, so the ice fishing was changed for an excursion to Tännforsen waterfalls

Tännforsen

The
adventurous
walk down to
the river stream
and the
Tännforsen
waterfalls using
ski sticks (ski
poles)

...
all survived!

Below the waterfalls

The hard walk downhill to the falls is paying off by the nice views

... holding on tight!
